**NARRATIVE:**

Antoinette Williams has an extensive adult criminal history that began at the age of 24. Her convictions include robbery, kidnapping, battery with injury, multiple cases of assault with a deadly weapon causing great bodily injury, terrorist threats, attempted lynching, welfare fraud, possession of controlled substances for sale, vandalism, multiple DUIs, trespassing, disorderly conduct, petty theft with priors, interfere with public transportation and failing to report. She has served multiple incarcerations, the longest being a 4 year term for attempted lynching. Williams was released from state prison to the supervision of the Los Angeles County Probation Department on February 17, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. She subsequently failed to report to her probation officer and an arrest warrant was issued in April 2015 after she absconded from post release community supervision (PRCS). Williams qualified to be released to the supervision of probation, under AB 109, because her current commitment offense for attempted lynching is defined as non-serious and non-violent under the California penal code. Her criminal history and current failure to comply with the terms of release make her a most wanted. If you know her whereabouts please contact...
